DOUBLE GLAZED FAMILY HOME

Located at the end of a private drive, this double-glazed family home provides everything a growing family needs—and more.

With four spacious double bedrooms, there's ample room for everyone to have their own space. A large lounge, separate dining and kitchen area, while the recently renovated bathroom (2024) add a stylish touch. The home is well-equipped for year-round comfort with a wood burner with wetback (saving you expensive hot water bills during winter), heat pump, two new HRV units (2024), and insulation in both the ceiling and underfloor. The basement/garage area offers large storage space.

Set on a large 1400m² section, there's plenty of space and privacy for kids to explore, ride bikes, and enjoy the outdoors safely. The peaceful setting, filled with birdsong, makes every day feel like a retreat from the hustle and bustle. You'll love spending time outside on the large deck, perfect for weekend BBQs, morning coffees, or simply unwinding while the kids play in the expansive garden.
