## TRANQUIL BEAUTY IN RAVENSHOE - FAMILY HOME

Nestled in the verdant embrace of Ravenshoe, this charming 3-bedroom block home awaits on a sprawling 5-acre sanctuary.

Imagine a life surrounded by the sweet bounty of fruit trees – avocado, coffee, mulberry, plum, peach, and citrus – all thriving on your own land. The gentle murmur of a small creek graces the property's edge, offering a private natural boundary. A solar-fed bore with two large water tanks ensures a reliable water supply, complemented by an additional rainwater tank plumbed directly to the kitchen sink.

Beyond the home itself lies a practical workshop shed and combined carport. The residence exudes a warm, country ambiance, nestled amongst captivating Caribbean pine trees. Enjoy peaceful moments on the expansive full-length front veranda, or relax in the more intimate back patio area.

Inside, the block construction is beautifully accented with timber details, offering a blend of rustic charm and modern comfort. A cozy wood-burning fireplace warms the home, while air conditioning in the back room provides relief during warmer months. Featuring two living areas and a flexible layout with either two bedrooms and an office, or three bedrooms, this house is more than just a dwelling – it's a home amidst the rolling hills of Ravenshoe.
