RURAL VIEWS, COUNTRY GARDENS, FAMILY STYLE

Welcome to Maire Street, a beautifully presented family home on the outskirts of Mamaku. You will love this property the moment you enter the driveway, with expansive outdoor decks and patios, relax and live your best life in all seasons, with space for all to enjoy.

The home is a well-presented three-bedroom family home with a main bathroom, along with an ensuite.

Keep toasty warm over the winter months with a freestanding wood burner, but also a heat pump for convenience, along with being fully double-glazed and insulated.

The modern kitchen connects to an open plan dining and lounge that has appealing neutral decor with roll-down sunshade blinds for both privacy and functionality.

The flow continues to the outdoors and finds a playground for the kids, a chicken coop, built in dog kennels, a freestanding carport, along with a single garage, plus the bonus of an attached sleep-out that is connected to the family spaces via the fully enclosed outdoor living space.

All set on a lovely large corner site with thoughtfully planted gardens and landscaping, plenty of extra off-street parking, and positioned for all-day sun, this property is a must view and will tick so many boxes on your wish list.
