RENOVATE OR DETONATE! 634M2 APPROX. CORNER BLOCK!

This traditional brick home on a generous corner allotment of approx. 634m² offers space and functionality in all forms with further scope to restore, extend or future develop (STCA).

The internal aspect includes a large living area that extends to a separate dining and kitchen with ample storage space. The 3 bedrooms which are serviced by a central bathroom, offer the space a family need.

Enticing outdoor dimensions and a large storage shed at the rear add to the attraction of an address with exceptional potential. Complemented by heaps of off-street parking and access to the rear further enhance this properties appeal. Within close proximity to schools, shops and reserves, this promising property is sure to inspire.
