ARCHITECTURALLY DESIGNED TIMBER HOME WITH ACCESS TO TOWN WATER

This beautifully presented home is set in an elevated tranquil setting entranced through natural bush canopy on a recently resurfaced bitumen driveway. There are great views to the Springbrook Ranges and the Cougals to the north, this 4 bedroom home is spectacular and provides a very comfortable lifestyle. The property has abundant water supply from tank, a spring creek, and access to have town water connected.

The master bedroom has an internal garden allowing sensations of being "next to nature" experiencing sky views, starry nights, sunny days, and rainfall into the enclosed area in the bedroom. The verandah off the main bedroom provides a great place to enjoy your morning coffee, in privacy, amongst the treetops and abundant and colourful bird life. Room for the children to play and explore.

Lots of glass, natural timber cladding and flooring are main features. There is a combustion heater in the lounge/dining room from where you can access the north facing verandah which provides a warm space to relax in the winter sun and the summer breezes. There is also a large laundry/mud/sewing room.

A well presented entertaining rotunda style BBQ area with all spaces featuring beautifully easy care landscaped gardens and a small fruit orchard. There is a double carport as well as a separate 3 bay garage/workshop. Propagate seedlings in the shade house and grow your own vegies in raised garden beds. The chickens will help with keep the bugs at bay and provide food for the table and so will the mix of fruit trees.

A secluded swimming hole in the spring fed creek which runs through the back of the property.
