DREAM BIG AND BUILD YOUR DREAM HOME!

Dream big, build your dream home and create memories to last a lifetime with your family. This is a blank canvas lifestyle property.

I have two lifestyle choices to choose from. One is 1.4307ha and has native bush behind it making this a peaceful property to enjoy. These are the photos that have lot 3 on it.

As you explore the area, you'll be captivated by the beauty of the native bushlands that provide a stunning backdrop to your future property. The location near Hamurana and Ngongotaha means that you are just a short drive away from local amenities, shops, and recreational facilities, ensuring that your lifestyle remains conveniently connected to everything you need.

The second lot is 2 and is 8288 square metres more or less.

These residential lots boast ample space for your architectural vision, whether you are dreaming of a modern masterpiece or a charming country-style home. With generous land sizes, you have the freedom to create not just a living space but a lifestyle. The surroundings inspire the addition of lavish gardens, serene outdoor living areas, or even vegetable patches, allowing you to cultivate your own produce right at home.

Do not miss your chance to secure a piece of land on Oturoa Road. This is more than just land, it is an invitation to design and construct your perfect home surrounded by nature's splendor.

Where you're looking for space, serenity, or a connection to nature, this land could be the perfect lifestyle choice for you. Contact Mandy today for further information.
