118 OCEAN VIEW DRIVE, BOWEN, QLD, 4805

SOLD

BUILD YOUR DREAM HOME WITH OCEAN VIEWS!

Imagine waking up to these fantastic views across the ocean to the islands in the Whitsundays. This homesite is ready for you to make your own, the outlook from this block have to be seen to be believed. More than just the sparkling waters of McCanes Bay and out to the ocean, the islands dotted around are why Bowen is known as the jewel of the Whitsundays.
The aspect of this block makes for cool breezes and warmth from the sun when you build a home designed to suit the site. There are a variety of modern homes in the area making the location appeal far more than the cookie cutter estates of the city.
118 Ocean View Drive is reasonably priced for a homesite with this potential, call today and find out more.
