EXECUTIVE STYLE LIVING, 5 BEDROOMS & A POOL!

I am proud to present this wonderfully built Ex-Display Hallmark home in Central Lakes Caboolture. If you are looking for attention to detail then this house has it all. 5 bedrooms, 2 living areas, an office, 2 patios, inground pool and ducted air conditioning. Maintenance free gardens and lawns, new carpets, refurbished kitchen and the list goes on. The location is highly sought after as it is just a short walk to the Specialised Caboolture Hospital, St Columban's College, Woolworth's shopping centre (with other specialty shops), parks and bike tracks surrounding the nearby lake.

When you walk through the front door it will become very evident that the presentation of this home will stand out above the others. Every little detail is a credit to the owners offering a lifestyle that can become yours with nothing left to do. Besides being very bright and airy the size and the design of this home makes it workable for practical living for the entire family. Separate living rooms will have the kids in one and mum & dad relaxing in the other. A large office space which makes it perfect for working from home and still being able to keep an eye on the kids at the same time. The refurbished large kitchen will make any chef green with envy, abundance of bench space, cupboards and a dishwasher. A big emphasis with this home is the outdoor living which offers a tiled under-roof screened in patio which overlooks the inground pool and outdoor patio area. Immaculate gardens and lawns mean you are able to spend more time relaxing on the weekends.
