A HOME WITH HEART IN BEAUTIFUL RICHMOND HILL

Peacefully positioned on an elevated 3,550m² block in Richmond Hill, this home is full of surprises - spacious, practical, and instantly welcoming. It has all the comfort, warmth, and room a growing family could wish for.

Inside, the wide entryway is framed by two living areas that offer flexibility for family life - whether it's movie nights, kids' play areas or quiet reading corners. A dedicated study/music nook nearby is perfect for homework sessions, musical evenings or working from home, while ducted air-conditioning throughout keeps every space comfortable all year 'round.

At the heart of the home lies a generous kitchen - the true hub and gathering place for all. You can picture a feast in progress, with the 6-burner gas oven going strong, kids popping in and out, and stories shared around the kitchen bench. The walk-in pantry keeps everything tucked away, while the flow of the space connects easily to both indoor and outdoor zones.

Down the hallway, the bedroom wing unfolds, with each room offering a large built-in wardrobe and plenty of storage space. A three-way bathroom is designed for easy family living, and the adjacent laundry is large and functionally located. At the end of the hallway is the main bedroom retreat, complete with a generous ensuite, walk-in robe and private outdoor access - heavenly for slow Sunday mornings or quiet evening escapes.

The pool with waterfall is an eye-catching feature at the front of the home, visible from most of the bedrooms and the family living room, making it easy to supervise and perfect for summer fun whilst soaking in the picturesque rural views. Just imagine the smell of barbecue in the air, kids laughing and splashing, and loved one gathered with a drink in hand, watching it all unfold.

There's also plenty of extra storage, space for a secondary dwelling or shed (STCA) or room to park a caravan or trailer with a second driveway providing easy access. And for the hands-on family member, the oversized double garage is ready for weekend tinkering or serious workshop potential.
