LOG CABIN ON 3270 SQ. M.

If your idea of 'getting away from it all' involves going somewhere where there's no phone reception, no mains electricity, no town water and surrounded by national park, then this property could be the one for you.

Located a Hidden Valley, a small community around 25 kilometers from Paluma, which is around an hour from Townsville is this genuine rustic log cabin on 3270 square meters of freehold land.

The dwelling is basic, but offers buyers wanting a place to live, or a fantastic holiday getaway, the chance to get into the market at an affordable price, and really get away from it all.

The cabin has 3 bedrooms, a combined living/dining room, large kitchen, separate utility room, a bathroom with separate toilet and a large storeroom and there's also an attached covered shade cloth area to the side. (See the attached floorplan).

Other improvements are a shipping container, 6 x solar panels, a carport, two water tanks, full fencing, gas hot water and septic tank.

The location is right near Running River that can provide a source of water and has some great swimming holes, whilst the area has an abundance of trails through the national park to explore.

So, if you're looking to live away from the rat-race, or just wanting a holiday getaway, then this could be the ideal property for you. Call today and arrange an inspection.
