STUNNING NEAR-NEW HOME WITH BUNYA & MT WOOROOLIN VIEWS

Set high and dry in one of Kingaroy's most sought-after areas, 63 Webster Street is a stylish modern home with a peaceful elevated outlook. Built by respected Brisbane builder DJ Roberts only a few years ago, this home has been finished to a very high standard and must be seen.

From the moment you arrive, you will not be able to deny that this home has serious street appeal.

Once you step inside, the home feels sleek, tidy, and thoughtfully designed. The layout of the home flows seamlessly to the back deck, where uninterrupted views of the Bunya Mountains and Mount Wooroolin provide a breathtaking backdrop for daily living and entertaining. Zipline blinds offer protection from wind and rain, while also giving privacy when needed.

The modern kitchen is central and comes complete with a butler's pantry, breakfast bar, glass splashbacks, and dishwasher.

The master suite is spacious, featuring a walk-in robe, ensuite, and a big split system air conditioner for comfort. All other bedrooms include built-in robes, with an additional large air conditioner servicing the lounge. This is a 4 bedroom home design, with the fourth bedroom space currently utilised as a second lounge room/office/media room.

Practicality has been well considered, with the double garage built 600mm longer than standard to allow for shelving or workbenches, double insulation for efficiency, and a tidy 3m x 3m garden shed out the back to store the mower and garden tools.
