Welcome to your new home in the heart of Gainsborough Greens – a stylish, spacious, single-level Plantation build that's completely move-in ready.

Immaculately presented with manicured gardens, quality finishes, and a serene, contemporary feel, this home is designed for both family living and effortless entertaining. The flexible floor plan offers multiple living zones, including a dedicated media room, a light-filled open plan living and dining space, and a chef's kitchen with an oversized stone island bench that brings everyone together.

Step outside to your private alfresco and discover a hidden spa retreat – the perfect spot to unwind after a busy day and enjoy peaceful evenings in total privacy.

Positioned just minutes from Aquila Reserve Parklands, this home offers not only an exceptional lifestyle but also unbeatable convenience. From schools, childcare, and public transport to shopping, dining, and leisure – everything is right at your fingertips. Residents of Gainsborough Greens also enjoy easy access to expansive green spaces, walking tracks, and community facilities that make this neighbourhood so sought after.

Key Features:

- Single-level Plantation-built home with high ceilings & quality inclusions
- 3 (potentially 4) generous bedrooms – master with walk-in robe, others with built-ins
