This clifftop location is true absolute river frontage on the banks of the glorious Swan River with no road between you and the riverbank.

Quite possibly North Fremantle's very best location. The very best spot on North Freqo's is very best street. Situated high on the hill at the end of the cul-de-sac on premier riverfront dress circle, Rule Street, with its own private access way. Whereas all other homes on Rule Street have the street between you and the river, this location beyond the end of the cul-de-sac is absolute Riverfront.

The exact location of this home is the narrowest point between the river and the sea. Enjoy stunning unimpeded 180° cliff top views of the glorious Swan river to the east, as well as ground floor ocean views of the Indian Ocean to The West due to the extreme elevation of this site.

If you thought it couldn't get any better, there is a council maintained parkland running down your entire northern boundary which provides many vantage points within the home with sundrenched private outlook over bushland.

This park provides you a direct walking route through nature from your garden gate to the sparkling waters of The Indian Ocean at Leighton Beach for your morning swim.
