A COASTAL DUAL LIVING HOME WITH HINTERLAND VIEWS

Set high to capture the breezes and sweeping hinterland views, this recently refreshed two-storey home in Corindi Beach offers the perfect coastal lifestyle with a unique dual living setup.

Designed for flexibility, the property features two bedrooms, a full kitchen, and bathroom upstairs, while downstairs presents another two bedrooms with bathroom and space to be independent. Ideal for blended families, multi-generational living, or creating a separate rental income stream — this home gives you options.

The block itself is a standout. With wide side access and space for a shed already on slab with power, it's practical as well as appealing. A generous backyard is landscaped and well maintained, offering room for kids to play, pets to roam, or weekend entertaining with friends.

From the street, the home's modern coastal façade and neat landscaping deliver excellent street appeal — nothing more to do here but move in and start enjoying your life in Corindi Beach.
