** All Open times are on NSW Time**

Enveloped by an idyllic landscape of established tropical foliage is this renovated, multi-level family entertainer that mirrors the relaxed oceanfront ambience and enjoyable outdoor lifestyle that Casuarina is renowned for.

It rises from a unique corner block in a quiet, leafy beachside address from which its elevation and perfect eastern orientation evokes a stunning sense of seclusion.

Natural light and gentle sea breezes filter through the interior where space for dining and lounging flow from the renovated kitchen, with new freestanding 900mm dual fuel oven.

Social spaces progress outdoors to a covered entertaining deck and poolside gazebo which edge the salt water pool immersed in an oasis of tropical gardens.

Well placed and appointed as a wellness studio, executive home office or additional bedroom, the generous front room has a built-in wardrobe and opens to both a private front porch and a central courtyard.

The ground level also accommodates the laundry, bathroom, a bedroom, walk-in storage, and access to the oversized, tiled double garage with drive-through access for watercraft.

Stairs rise to an open landing preceding the luxurious parents' retreat encompassing a private sitting room with a balcony, generous sleeping quarters with an additional balcony overlooking the pool, a dressing room, and fully tiled ensuite with a walk-in shower and twin vanity.
