STOP SCROLLING —HORSE LOVERS,TRUCK OWNERS & LAND BUYERS. THIS ONE'S DIFFERENT.

If you've been searching for usable acreage that actually works, you'll know how rare it is to find a property already set up like this.

Not hobby acreage.
Not overpriced lifestyle fluff.

Real land. Real infrastructure. Real opportunity.

Set on 6.52 fully cleared and fenced acres, this property gives you the space and setup most buyers spend years trying to create.

Horses. Trucks. Machinery. Small business.
Or simply room to breathe and live the country life.

The three-bedroom home sits comfortably overlooking the paddocks — a practical base you can live in, rent out, or use as part of your operation.

But the real value here is what's already in place.
