FAMILY FLOURISHES HERE.

In late 2006, the current owners chose this home as the place to grow their family — planting roots and watching them thrive over nearly two decades.

With young children and an eye for potential, they found the ideal setting: a property offering space, privacy, and an easy family lifestyle.

Set on a generous 731sqm (approx.) corner site, the garden provided plenty of room to play and explore, securely fenced for peace of mind. Positioned slightly below the road, it enjoys an appealing sense of privacy and calm.

The home itself has a thoughtful layout — three bedrooms, two of which are generously sized and open directly to the verandah. The master enjoys its own petite ensuite, a welcome surprise for a home of this size and era.

Open-plan living and dining areas connect beautifully to the verandah, creating a natural flow between indoors and out — perfect for relaxed family living, shaded summer afternoons, or listening to the soft rhythm of rain.

The kitchen has been updated twice over the years, most recently in elegant white. While perfectly comfortable as is, there's still opportunity to refresh and add value with some simple cosmetic updates.

Practicality is covered too, with a double garage, ample off-street parking, and a convenient location within walking distance of local shops and just moments from the motorway.

After nearly two decades filled with love and laughter, it's time for a new family to make it their own.

A home that's ideal for now — and promising for the future, with Mixed Housing Urban zoning and easy access to stormwater connections.
