CLEVELAND PALMS 800M2 BLOCK

One of the last 800m2 vacant in the gated Cleveland Palms Complex. Bitumen road frontage no back neighbours.

Ready to build on. In the pipeline is the freeholding of Cleveland Palms so maybe the time to secure a cheap block.

Boat ramp provides great access to fish the channels or outside in Cleveland Bay.

Only a short 20 minutes drive to Townsville. Maybe a weekend fishing hut or come and retire here. The gated access gives lots of security.
