Commanding an elevated position on the Hinewa ridgeline, this 2024-built 290 sqm (approx.) residence is the epitome of modern sophistication. With awe-inspiring views over Mauao, the inner harbour, Pilot Bay, and the Port of Tauranga, this architecturally designed home—clad in EZpanel and Nu-Wall—makes an unforgettable first impression. Built to endure, it features high-grade double glazing and zoned ducted heating for year-round comfort.

Step inside to a world of monochromatic elegance. The grand double-height entrance hall dazzles with bespoke twin-disc lighting, setting the tone for what lies beyond. A sleek, glass-balustraded staircase leads upstairs to expansive open-plan living spaces, where a backlit coffered ceiling and exquisite timber flooring highlight the home's contemporary flair. The kitchen, scullery, dining, and living zones flow seamlessly together, bathed in natural light through floor-to-ceiling windows that capture the sweeping views. Built-in seating and a wall-mounted media system enhance the sense of calm sophistication.

Stacking sliders open to a covered balcony — the perfect vantage point to enjoy glittering city lights and golden sunsets. The award-winning Sticks + Stones-designed kitchen and bathrooms showcase luxurious finishes, rich custom cabinetry, and high-end Fisher & Paykel appliances — a dream for the most discerning chef.
