BRAND NEW LUXURY TOWNHOMES – NOW SELLING OFF THE PLAN

A boutique development of stylish, architecturally designed townhouses now selling off the plan. Whether you're an owner-occupier seeking a modern lifestyle or an investor looking for a prime opportunity, these homes tick every box.

Each residence is thoughtfully designed across multiple levels, offering light-filled living areas, stone-finished kitchens, spacious bedrooms, and private outdoor spaces. Kitchens feature Caesarstone benchtops, soft-close cabinetry, stainless steel sinks, and quality appliances including oven, cooktop, rangehood, and dishwasher. Bathrooms are fitted with stone-topped vanities, chrome fittings, semi-frameless shower screens, and Caroma dual-flush toilets.

Comfort and quality are at the forefront, with laminated timber flooring in living areas, plush carpet to bedrooms, and split-system heating/cooling. Double-glazed windows ensure energy efficiency, complemented by rainwater tanks and a 6.5-star energy rating design. LED downlights, NBN cabling, security lighting, and landscaped surrounds complete the picture.

With garages, storage, and flexible floorplans designed for modern living, this is a development built for convenience and lifestyle. Positioned close to local schools, shopping, and easy freeway access, it's an address offering growth and liveability in equal measure.
