If you are looking for a home that is only a short drive to Richmond or Nelson CBD, plus having the benefit of being within walking distance to schools and shops in Stoke, then look no further than this stunning home.

Situated on a flat and spacious 668sqm (more or less) section, with the added bonus of having the back section fenced for dogs or children and with ample space for parking multiple vehicles, cars, trailers or boats this home has to be viewed to be fully appreciated. The spacious double garage offers lockable and secure storage for any further toys.

The originally 1960's built home is of solid weatherboard construction and has been well maintained and looked after. Inside the spacious kitchen has been tastefully modernized and brought to the 21st century and lets the heart of every hobby cook beat faster. The open plan living and dining area create a sense of space and coziness which is underlined by the fireplace which will keep you warm and toasty even on the coldest of winter nights.
