REFRESHED COASTAL HAVEN IN THE HEART OF SAFETY BEACH

Nestled in a peaceful cul-de-sac just moments from the sand, this Safety Beach home captures everything that makes the area so sought after — relaxed coastal living, space for family and friends, and a location that feels miles away from the hustle, yet minutes from everything.

Recently given a light refresh, the home now shines with an updated, inviting atmosphere that immediately makes you feel at home. The north-facing design fills the interiors with natural light, while the solid brick and tile construction ensures lasting quality and comfort.

The open-plan kitchen, dining, and living areas flow effortlessly together — ideal for entertaining or simply unwinding after a day at the beach. Cool tiled floors, generous proportions, and sliding doors that connect seamlessly to the outdoor areas create an easy, breezy indoor-outdoor feel.

There are four well-sized bedrooms, including a master with a walk-in robe and private ensuite, plus a separate lounge offering flexibility as a media room or quiet retreat.

Outside, the covered patio and sheltered rear area are perfect for year-round entertaining — from lazy weekend barbecues to evening catch-ups under the stars. The low-maintenance gardens and level block make living here as effortless as it is enjoyable.

Best of all, you're only a short 600-metre stroll to the beach, with pristine coastline, the golf course, and Woolgoolga's cafés and shops all within easy reach. This home delivers the full Safety Beach lifestyle — where every day feels like a holiday.
