REFURBISHED SINGLE-LEVEL RESIDENCE AMID SECRET GARDEN WITH ELEVATED OCEAN GLIMPSES

ALL OPEN INSPECTIONS WILL RUN ON NSW TIME****

Ensnconed in the privacy and tranquility of picturesque native gardens is this immaculate single-level residence in a quiet pocket of Banora Point. It is perfectly orientated northeast on a rare, elevated corner block embracing natural light, sea breezes and scenic glimpses of the hinterland, northern skyline, and Pacific Ocean.

A meticulous makeup has modernised the interior while retaining the charm and character of this much-loved home. From re-sealed black slate flooring, new carpet, fresh paint and contemporary lighting to a double paneled lead lighting front door, upstaged only by an enchanting galleon etched porthole feature window at the entry.

Sheer curtains dress full-length bay windows, allowing panoramic intimate garden views from the formal living and dining space, while the perimeter trees provide privacy, birdsong and soft natural light.

Quality new appliances feature in the central kitchen positioned to serve the casual social space, which is equipped with a new air conditioner and ceiling fan.

Sliding glass doors entice you out to a quaint undercover patio overlooking a lawn dotted with stepping stones and patterned sunlight filtering through the shaded canopies of established trees, edged by terraced gardens and the quintessential white picket fence.

There are four bedrooms including the spacious master suite which is afforded an ensuite, walk-in wardrobe and ceiling fan. The main bathroom enjoys the convenience of a bath and a separate toilet, while the laundry features outdoor access and storage options.

Off-street parking precedes the oversized double garage, which presents an option for conversion into a separate living room, private studio, or dual-living.
