GREAT LOCATION

Welcome to this lovely two bedroom villa, located in City Beach, one of our best beachside suburbs. With reverse cycle air conditioning plus gas heating if you prefer, your year round comfort is secured. The casual dining area adjoins the good sized lounge and the lovely alfresco sitting area adds a nice touch to the home. The bathroom has both bath and shower and the kitchen offers gas hotplates with an electric oven and good bench space. Somewhat rare in two bedroom accommodation is a double garage but this property does have just that. And with summer almost here, the shared pool facility will be most welcome.
