RENOVATORS DELIGHT - CALLING ALL TRADIES, BUILDERS, RENOVATORS

Potential plus with an excellent elevated position, quiet cul de sac and large 908sm block near Helensvale Golf Course.

Well positioned on the block this solid brick and tile home boasts a huge front yard, massive undercover entertainment area at the rear and large backyard with terraces to maximise space and outlook. Best of all there is side access in both sides so perfect for trailers, boats, caravans, jet skis.

The large driveway at the front and peaceful street is the perfect place for additional vehicles.

Live in as is but renovate to love even more. This is the ideal home for lovers of the TV shows "The Block" and "Backyard Blitz". Bring your vision, tool, energy and imagination and flair and add your own personal design and touch to truly customise it and bring it back to its former glory with some TLC

The layout and floorplan suits family living with spacious and separate living areas, timber flooring for earth and ambiance but it does need repair or replacement. Experiment with your selections - that is the fun.

The master bedroom is generous in size and features a walk in robe and ensuite with an updated vanity for convenience and comfort.

The other two double bedrooms have built in robes and share the main bathroom and there is also a great separate laundry.

The garage has been converted into a teens escape, rumpus room or home office area.

Looks are definitely deceiving and if you are looking for a project to start asap then this is the hike for you. Quick settlement possible so you can be in before Christmas.
