This impressive residence combines generous proportions with thoughtful design, offering multiple living zones and endless possibilities for large / blended families, multi-generational living, or those seeking a lifestyle property with room to grow.

Both levels of this vast and intriguing residence provides two homes on the one block, complete with four bedrooms, kitchen, bathrooms and living on each storey.

The home's grand scale is immediately evident with a total of eight well-appointed bedrooms, including terrific storage with built-in-robos in seven of them, complemented by three bathrooms including a convenient ensuite off the main. At least three generous living areas provide flexible living zones to suit everyone. The heart of the home features modern conveniences in both the upper and lower level kitchens, including a dishwasher and gas cooking. Seasonal comfort is taken care of with four air conditioners throughout and there's even a lift to access both the top and bottom floor.

Step outside to discover your own private oasis, where the sparkling in-ground swimming pool takes centre stage in the fully fenced backyard, imagine the fun to be had! The outdoor entertainment area provides an undercover setting for Bbq's and alfresco dining, while the huge shed is ideal for the handy person, man cave, all weather play space or a fabulous storage option. Secure parking is never a concern with a remote triple garage accommodating several vehicles or possibly the perfect space to set up a home business (STCA) with side entry access, complemented by further off street parking in the wide driveway.

This property has all bases covered with disability access from the front ramp and also the internal lift to reach the top level.

With a sunny northerly aspect providing ample natural light, this treasured family home sits on a substantial 721 square metre block, offering space and privacy while maintaining the convenience of suburban living. Horsley's terrific location provides both easy access to all the natural beauty of the Illawarra region and urban amenities, making it an ideal base for families seeking the best of both worlds.
