CABOOLTURE AERODROME – AIRCRAFT HANGAR 226 FOR SALE

Caboolture Aerodrome is located only 45 minutes' drive from the centre of Brisbane and the Sunshine Coast.

Caboolture Aero Club Inc. maintain the airfield on behalf of some 270 members and is complimented with long cross runways and a fully serviced Re-Fuelling service, a Fully Licenced Maintenance Facility, a well-known Aircraft Spares Supply, several Flight Training and Air Experience Flight Schools, several aircraft Museum facilities, a 300 member plus Gliding Club and more than 100 Hangars. Vehicle access is provided by a card-swipe for members only and security patrols are conducted at night and on week-ends.

"It is no longer a question of faith – You no longer buy off the plan, you now buy a reality – the new hangars are being built and everyone can see the structures rise – it has become a tangible purchase!"

"How good is it to see renewed action around the place – the air of excitement is palatable – people are now investing here with confidence!"

With the signing of new long term leases, there is a genuine air of excitement around the construction of the brand new clubhouse, new hangars and many other upgrades. Caboolture Aerodrome is the destination which members rave about and visitors envy.
