9 PAVIA DRIVE, NOME, QLD, 4816

SOLD

VACANT LEASEHOLD LAND - SECURE GATED COMMUNITY.

Located in the Cleveland Palms gated community, around 20 minutes from the Fairfield Central shopping center, and even closer to the emerging master-planned community of Elliot Springs, is this level and cleared 600 sq. m. block.
This property is enclosed on three sides, has a bitumen road at the front and is located in a quieter part of the estate in that it is near the end of Pavia Drive.
Cleveland Palms is a gated community where the land is currently leasehold and is managed by a body corporate.
The annual body corporate fees are currently $5090, and this includes you council rates.
The estate is a haven for those who love to fish, with an all-weather boat ramp and fishing platform that's located at the other end of Pavia Drive, that's for the exclusive use of residents and their guests.
The estate also has a swimming pool, tennis courts, a community centre and barbeque facilities.
Buyers looking for a cleared and level block of land, at an affordable price, should check out what's on offer here.
Call the Agent for more information.
