There's something special about homes built with personality - the kind that hold stories in their floorboards and welcome you with a quiet sense of history. This old charmer on a large 822m² flood-free block is exactly that. A home with good bones, generous spaces and a dash of old-world beauty just waiting for its next owner to revive its original grace, and write the next chapter in its story.

Inside, four generous bedrooms, a welcoming foyer and flexible living spaces set the tone for family comfort. There's a host of character features to uncover - 10ft ceilings, bay windows, decorative cornices and timber floors waiting to be revealed. This is a home that invites imagination and rewards vision.

Outside, a large undercover entertaining area overlooks the spacious backyard and established gardens. There's plenty of room for the caravan, boat or trailer — or even the potential to add a tiny home or similar (STCA).

It's easy to see this grand old home refreshed for modern living while keeping its soul intact - a place that fits perfectly within Lismore's colourful, creative heartbeat. Close to the centre of town, and with the added bonus of side access to the large rear yard, it's an opportunity to step into something genuine, affordable and full of promise.

Moments from shops, schools, bus interchange, hospital and cafes - this really is one of Lismore's most convenient locations.
