NINGALOO DREAMING | ON THE CORAL BAY OCEANFRONT

Ningaloo Dreaming
Coral Bays Best Location & Best Ocean Views On the Coral Bay Oceanfront
No Road between you and the Ocean
Back Lawn | Beach track | Lagoon
Blue Chip Lifestyle, Investment & Income

This is one of only a handful of absolute ocean front properties in Coral Bay and in fact along the entire Ningaloo Coast of the North West Cape.

A unique holiday property in a blue-chip rural coastal location fronted by the Ningaloo Reef Marine Park and backed by the great Western Australian red-earth outback, this destination has much to attract visitors. This Coral Bay property offers expansive ocean views, a short walk to the beach and the tranquil waters of the bay, easy access to ocean fishing, plus a host of activities and facilities associated with a small coastal resort situated within metres of the coral waters of the Ningaloo Reef Marine Park.

Stroll out of your back garden, cross manicured lawns and onto pristine beaches and fringing coral reefs in one of the most spectacular tourism destinations on the planet.

THE DWELLING

This is a properly constructed home by an owner who was a builder and is the only double brick home in The Bay. It has a new, cyclone rated colorbond roof and bathrooms that have been updated in the last 10 years. It is owned by house proud, obsessive, immaculate owners.

It is on the highest location in The Bay on the oceanfront and has the equal best views of any property in Coral Bay, being positioned centrally, between the only other two properties that can make this claim either side.

Truly unrepeatable blue Real Estate.

Holiday rented for great return all year when owners not using. A scarce blue chip investment, it promises strong capital growth and also such fantastic rental return.
