SUCH AN EASY HOME TO LIVE IN

Quiet location, privacy and a flowing floor plan make this home ideal for the buyer who is not just looking for comfort and relaxation but is also looking for the enjoyment of entertaining friends and family when the occasion arises.

The home itself has been extremely well built and offers many of those little extras that only a builder who takes pride in his work can offer.

To finish off, the property is not much more than a stones throw from parks, walkways, cycle tracks, schools, public transport and a shopping centre.

Sorry, no open home this weekend, so call today for your own private viewing.
