Without question, this property has the best ocean views on the Perth Central Beaches, whether judged by location, proximity or elevation.

LOCATION: In a world where infill is coming and apartment towers are springing up and taking away views that we never imagined would be threatened, the only safe retreat for a permanent ocean view is the absolute oceanfront. Regardless of any zoning changes, you can never lose your views.

PROXIMITY: If you judge ocean views by proximity to the waters edge, this property is on the absolute oceanfront. The views are at reach out and touch distance. The beach track is approximately 25M from your garden gate!
