SPACE FOR THE WHOLE FAMILY!

Set on an approx. half-acre block (1968m²), this solid single-story home is just waiting for its new owners to move in and put their stamp on it. The property features a huge 9m x 6m powered shed on a concrete slab, ideal for a workshop or secure car parking, along with two double carports. The well-established garden includes a veggie patch, water feature and chook run, while a generous 14m x 5m undercover outdoor area provides an excellent space for entertaining guests.

Inside the home, the layout offers immediate value with three bedrooms, all of which are serviced by a central bathroom. The Victorian Ash kitchen with its striking Redgum benchtop is equipped with a 900mm oven and cooktop, with adjacent dining area to sit and enjoy those home cooked meals. Leading just off from the kitchen and dining is the lounge room where you can finish up the day relaxing. Comfort is assured year-round with solid fuel heating, evaporative cooling and ceiling fans. Additional features include a Chromagen heat pump hot water service and solar panels for energy efficiency.

The property is positioned just on the outskirts of Healesville's town center and only a short drive to all the shops, eateries and amenities.
