## CHARMING QUEENSLANDER HOUSE -IN QUEENSLAND'S HIGHEST TOWN

Escape to Queensland's highest town with this charming 3-bedroom house perfectly positioned on Ascham Street in the heart of Ravenshoe. This delightful residential property offers the ideal opportunity for those seeking a peaceful lifestyle surrounded by the natural beauty of the Atherton Tablelands, just 123 kilometres southwest of Cairns.

Set on a generous 1,022 square metre block, this home provides ample space for families to grow and thrive. The thoughtfully designed layout features three comfortable bedrooms and one bathroom, creating a cozy yet functional living environment.

Large enclosed veranda on 2 sides beautiful polished timber floors throughout, modern kitchen, fireplace, the large living dining kitchen is open plan.

Under house is cement floor providing large storage area

The property includes two carports, ensuring your vehicles are protected from the elements while providing convenient access to your home.

Ravenshoe's unique character shines through its remarkable elevation of 930 metres above sea level, making it not only Queensland's highest town but also home to the state's highest pub and railway station. The town is renowned for its spectacular natural attractions, including the famous Millstream Falls - Australia's widest waterfall - and proximity to crater lakes, rainforests, and diverse wildlife including 12 species of possum and 8 species of kangaroo.

- Close to Ravenshoe State School with both primary and secondary campuses
- Walking distance to St Teresa's Catholic School
- Easy access to local amenities including supermarkets, cafes, medical centre, and post office
- Near the Ravenshoe Millstream Country Club featuring Queensland's highest golf course

The town's rich history in timber and its transformation into a tourism hub means you'll be surrounded by galleries, creative industries, and the stunning Misty Mountain Wilderness trails. Adventure awaits with bushwalking opportunities through Tully Gorge National Park and Wooroonooran National Park, while the occasional steam train journey to nearby Tumoulin adds

3 BED | 1 BATH | 2 CAR
