FAMILY LIVING AT IT'S VERY BEST AND READY TO GO

Built for longevity and ease of care, this low maintenance brick home features double glazed windows and sits on an impressive section of approximately seven hundred square metres.

Inside, the renovated interior offers open plan living, three generous bedrooms, a modern bathroom, a separate toilet and a separate laundry. The large stylish kitchen flows effortlessly through to a large sunny lounge. Enjoy excellent indoor and outdoor connection with doors from the lounge opening onto a spacious deck that takes in the lovely bush outlook. The internal access garage is a real highlight with a workshop, excellent storage, and plenty of space for hobbies or working from home.

The location adds to the appeal, with a short drive to the Upper Hutt CBD, quick access to SH2, and a bus stop right outside.
