This is where effort-free city living meets everyday indulgence. Positioned on the 6th floor of The Grande on London, this brand-new 1-bedroom apartment delivers modern luxury paired with low-maintenance simplicity — all framed by breathtaking lake views.

Morning light fills the home with warmth through expansive floor-to-ceiling windows, drawing the outside in and energising the open-plan lounge and dining space. Designed with purpose and flow, the living zone extends seamlessly onto your lake-facing balcony — a peaceful spot that welcomes slow mornings, afternoon sunshine, and evenings spent winding down with a glass in hand. Watch the sun drift low over Lake Burley Griffin as the water reflects ripples of gold and the sky turns rich shades of cobalt — it's your daily escape, elevated.

Inside, every detail has been crafted for style without sacrificing ease. The oversized kitchen sits at the centre of the home, inviting you to cook, share, or simply linger over conversation. The bathroom echoes a retreat-like calm, refined with premium fixtures and floor-to-ceiling finishes that reflect the quality carried throughout the space. High ceilings and durable tiled flooring enhance the sense of openness, giving the home both elegance and longevity.

But the lifestyle doesn't stop at the apartment door. The building reimagines apartment living, offering a thoughtfully curated selection of resident-only amenities that support well-being, connection, and everyday ease. Here, convenience means more than a location — it means access to spaces that encourage you to relax, move, gather, and belong, without pressure and without maintenance.
