## EXPRESS SALE INCREDIBLE VALUE MANTRA RESORT

Sometimes you get lucky, but only if you take action. Just listed, this tastily beach themed renovated and fully furnished dual key apartment is easily the best presented apartment within the Mantra Resort I have had the pleasure of marketing. Not only that but it has an ideal sun drenched North aspect over parkland whilst also capturing a peak of the Ocean blue out front. Did I also mention also its one of the largest dual key apartments, with a bigger than normal master bedroom and also balcony area.

The dual key configuration offers exciting flexible income streams delivered year upon year, whilst also providing you and family a terrific location to form lasting memories.

Privately managed through a small local boutique holiday agency this is a terrific set and forget proposition with solid bookings locked in from the outset. Note these types of apartments typically earn over \$10,000 per month in these holiday periods.

Fully furnished and air conditioned

122m on title

Both bedrooms ensuited

Secure basement car park

2 resort pools, gym, tennis courts, tavern and restaurants

Mantra Resort at Salt is beachfront, commanding the best real estate in Kingscliff.
