## 97.7HA DAIRY FARM + TWO HOMES (7 FREEHOLD TITLES)

Aurora Group is proud to present a rare 97.66ha Kaipara Flats dairy-and-lifestyle estate across 7 titles, set well off the road for peace, privacy and big-sky views—yet minutes to Warkworth, Matakana and the SH1 motorway for an easy Auckland run. Loved and meticulously maintained, it's offered only because the owners are moving overseas—presenting a substantial landholding where production, lifestyle and long-term potential align in one compelling opportunity.

The effective platform is ~85ha with limestone races, typically milking 230 cows (season-end ~220) for an average ~100,000 kgMS. Young stock (R1 50 / R2 52) are grazed off. The dairy is a 16-cup herringbone with in-shed meal system, 5,300L vat and 2x250L hot-water, with compliant milk cooling and a good tanker track; it's supported by a 230-cow yard, stand-off pad, calf sheds and a workshop. Water security comes via creek and bore, with storage pond and irrigable area.

Lifestyle is a standout. The main 2010s single-level brick-and-tile 4-bed/2-bath home (ensuite + separate WC) showcases an entertainer's kitchen with scullery, generous open-plan living and seamless flow to a sun-soaked deck and BBQ zone—made for long summer evenings and wide rural views. Triple internal garaging, a fully fenced garden, separate laundry, 20,000L concrete tank, septic and a heat pump complete a very easy home, with ample parking for boats and trailers. The 4-bed farm manager's home adds two lounges, an open wood fire, a large garage/work shed and a separate laundry—flexible accommodation for staff, extended family or guests.

Scale, privacy and multi-title flexibility in a prime Northern Rodney location—this is the complete dairy-meets-lifestyle proposition. Don't miss this opportunity!
