FOR SALE

“SECURE SPACE, VIEWS & LIFESTYLE — BUILD WHEN YOU’RE READY.”

For many buyers, securing land is the first step into property ownership — allowing value to grow while plans for building evolve.

Opportunities like this allow buyers to secure lifestyle land now while planning their future home at their own pace. Positioned on elevated ground with sweeping views across Ramco Lagoon and the Murray River, this 3-acre allotment offers space, flexibility and long-term potential just minutes from the boat ramp.

Located just 3 km from the Ramco Boat Ramp, the property provides easy access for skiing, boating, and family water activities. For fishing enthusiasts, the Qualco Boat Ramp is only 9 km north, offering a popular launch point for a relaxed day on the river with the tinny. This is an ideal lifestyle allotment combining space, elevation, water views, and only minutes from the River.
