GREAT FOR THE FIRST HOME BUYER OR INVESTOR

INSPECT BY APPOINTMENT

A great location in an extremely quiet area of Bundamba. The property is located at the end of a cul-de-sac street, high position overlooking the park and bushland at the rear of the property.

This split level design of the home creates charm and personality, a fantastic first home or investor. The main living area are located on the top level with the four bedrooms and bathroom and laundry on the lower level. The main living areas and hall are tiled handling the daily grind of living a lot better.

The home is currently a rental property returning \$325 per week with good tenants.
