Whether you have a growing family, live with extended family members, or simply need extra room to spread out, this home provides the space, comfort and flexibility that is becoming increasingly difficult to find.

Upstairs, the study provides additional flexibility and can easily be used as a home office, study area, children's retreat or extra living space.

Step outside and enjoy the covered pergola area, ideal for entertaining family and friends all year round. The generous backyard provides plenty of room for children and pets to play.
