PRIVATE TROPICAL LIVING WITH POOL, SOLAR & SECURE YARD

Welcome to this beautifully renovated 3-bedroom home offering privacy, comfort, and relaxed tropical living in a tightly held, owner-occupied neighbourhood.

Set behind lush, in a quiet cul de sac with only a few houses. Established easy-maintenance gardens with an automatic irrigation system, the property is completely screened from neighbours, creating a peaceful and private retreat. The refurbished fibreglass swimming pool with new paving is the centrepiece of the backyard — perfect for entertaining or cooling off year-round.

Inside, the home has been thoughtfully renovated with modern finishes throughout. The renovated kitchen features new appliances including a Bosch dishwasher, induction cooktop, modern sink, and fresh cabinetry. All bedrooms feature new air conditioning and new laminate flooring, while the home has been freshly painted, giving it a light and contemporary feel.

Comfort is assured year-round with air conditioning throughout the entire home, supported by solar panels with battery storage, a new electrical system, switchboard, and lighting, new external motion-sensor lights, and new sliding doors that connect indoor and outdoor living seamlessly.

The property also offers excellent functionality and security with automatic gates, a double carport accommodating two vehicles, and a fully fenced yard.

A new shed provides outstanding flexibility and could be converted into a granny flat, workshop, or studio.

The bathroom was fully renovated in December 2025, and external painting has been completed, ensuring the home is presented at its best and ready to move straight in.

Adding to the appeal, three schools are within easy walking distance, making this an ideal option for families.
