THE LOCATION

This little-known location is one of Perth City's best kept secrets. The locals say they feel like they are half living in the city (only 10 minutes away) and half living in the rural Swan Valley and indeed that is exactly the lifestyle that this location offers!

Situated high on the hill overlooking one of the most magnificent stretches of the beautiful Swan River. With nothing but a bicycle path between you and the water's edge and river reserve below – they are certainly not making any more real estate like this anymore! Nestled in a tranquil setting on whisper-quiet River View Ave, surrounded by nature and birdsong you could be a million miles away as you gaze out across these generous Swan River views in either direction. Facing northwest over the water, this is a very rare chance to have river views which are both elevated and also bathed in glorious winter sunshine. In the warmer summer months, when the Freo Doctor is in, its cooling breezes greet you from the lower reaches of The Swan. This is a special location. Only 13km to Perth City, 3 km to the airport and 1.5km walk or stroll along the river to all of the wonderful lifestyle amenities of the historic Guildford Village. This is a once in a lifetime opportunity.
