FOR SALE

“ONE MAN’S WORK IS ANOTHER MAN’S OPPORTUNITY.”

Can you find a better DEAL than this in a rising market?

A property with strong bones and excellent potential. Perfect for buyers who don't mind a little work — live in one dwelling while improving the other and build value while saving money in today's growing market.

This rare 2.77-hectare acreage package offers two separate dwellings and plenty of potential for the right buyer. The main home features 3 bedrooms, 1 bathroom, a spa, and 24 solar panels, while the secondary dwelling includes 2 bedrooms and 1 bathroom—perfect for extended family, guests, or flexible living options.

Council : \$1300 Approx. Per annum

With asking prices climbing fast, this property is for someone with vision and creativity—someone who wants to add their own finishing touches and shape it into their ideal lifestyle retreat, in their own season and style.

And let's be honest... just listen to the market experience from your mates, colleagues, and relatives for the last 12 months.
