ELEVATED 880M² BLOCK | NORTHERN END OF MACLEAY ISLAND

Macleay Island - Live Where Life Slows Down, Nature at Your Door, Community at Heart

This generous 880m² elevated block is positioned at the northern end of Macleay Island, just a short stroll to Pat's Park. Building to a second storey offers the potential for water views or glimpses, while stunning sunrises and sunsets can be enjoyed from one of the island's highest vantage points. Cool coastal breezes add to the appeal year-round. The underbrush and small trees have already been removed, providing a clear canvas and vision for your dream home build.

Location Highlights

- One of the highest positions on Macleay Island
- Quiet, elevated and private setting
- 3-minute walk to Pat's Park and swimming pool
- 10-minute walk to Dalpura Beach
