IMMACULATE FAMILY HOME IN ONE OF BLUE HAVEN'S MOST SOUGHT-AFTER STREETS

This beautifully presented three-bedroom home is positioned in one of Blue Haven's most desirable streets, and offers a lifestyle of convenience, comfort, and low-maintenance living. Within walking distance to schools, shopping centres, medical facilities, cafés, pubs, parks, and just minutes to pristine local beaches, lakes, waterfront, and the M1 Motorway, the location truly ticks every box.

Inside, the three-bedroom home features three generous bedrooms, all with built-in wardrobes, light-filled open-plan living and dining areas, a functional, tidy kitchen, a bathroom with separate bath and shower, separate basin and separate toilet. The “Queensland Room” with surrounding open mosquito-netted windows, is also great for parties and entertaining, and overlooks the backyard entertaining areas.

Outside you'll find a well-kept inbuilt kidney-shaped swimming pool with generous multiple entertaining areas - great for those lazy summer afternoons, surrounded by low-maintenance, fully fenced yards, small gardens front and back, and exterior storage including a pool shed and convenient side driveway access to the large, secure double garage with room for the handy person's tools and bench.

It goes without saying that this home is ideal for families, investors, first-home buyers, and down-sizers alike.
Properties in such a tightly-held location offering this level of presentation, space, and lifestyle rarely come to market and are always in high demand.
