

FOR SALE

A SECOND CHANCE TO SECURE THIS KIWI CLASSIC.

Due to a previous offer falling over, this Kiwi Classic is still available. Don't let it slip away from you twice ... call me now or view at the open home.

So many great things came out of the 60s and 70's... the best cars, fantastic music, eye catching hair styles and fashion.

Another icon of this era is the solid, dependable brick and tile unit like we see here.

This classic architecture has stood the test of time and is as suited to family living as much now as the day it was built.

Many of these wonderful homes are being lost to development and high-density housing, but the occasional gem remains such as 2/7 Windermere.

Tastefully decorated throughout, with new paint, carpet, polished solid wood floors and refreshed bathroom. Still scope to add your personal touch or just move in and enjoy.

The rear unit of two on a cross-lease site also enjoys a large exclusive use area.

Come and see for yourself how good a Kiwi classic can be.

OK, perhaps it's just as well the hair and fashion hasn't returned!
