Built in 2021 and clad in timeless picture-frame weatherboard, this thoughtfully designed home captures expansive green outlooks from almost every angle. Elevated and surrounded by rolling pasture, it's a property that feels both peaceful and purposeful.

At the heart of the home, the open-plan kitchen, dining and living space feels warm, welcoming and beautifully connected to the outdoors. A woodfire provides cosy ambience through the cooler months, complemented by a heat pump and a heat transfer system. Double glazing throughout adds another layer of comfort and efficiency year-round. The kitchen is generous and practical, complete with quality appliances and a sizeable walk-in scullery — ideal for entertainers and busy households alike. Sliding doors open to a covered deck where you can unwind while overlooking your land.
