UNIQUE CHARACTER AND SPACIOUS LIVING!

Standing out from the street, 2 Gretna Street is a truly individual home designed with a focus on distinct architectural features. Inside, you'll find a unique blend of curved walls, natural timber elements, and large windows that bring in plenty of natural light.

The layout is practical for a family, offering four bedrooms and two separate living areas. The open-plan kitchen and dining space serve as the heart of the home, while a grand staircase leads to a large mezzanine floor and the master suite. A separate spa room with a stained-glass feature adds an interesting touch to the interior.

With plenty of storage throughout and a double internal-access garage, the home is as functional as it is unique. Outside, the property features a private courtyard and low-maintenance gardens. If you are looking for a home with real personality and plenty of space, 2 Gretna Street is well worth a look.

A one-of-a-kind home with great space and character—come and see the potential for yourself.
