A CUT ABOVE THE REST - DEADLINE BROUGHT FORWARD!

Deadline Brought Forward to Wednesday the 25th of February, 2026. All offers presented at 12:00pm.

Tucked away as the rear unit for added peace and privacy, this high-spec 2025-built townhouse delivers contemporary comfort with a thoughtful, flexible layout.

Boasting three generous bedrooms, two beautifully appointed bathrooms, and three toilets, the home is perfectly designed for modern living. The standout feature is the downstairs master suite — ideal for guests, multi-generational living, or those seeking the ease of ground-floor accommodation — complemented by a convenient downstairs guest toilet.

The sleek, high-quality kitchen flows seamlessly into open-plan living and dining, creating a light-filled central hub that connects effortlessly to a well-sized outdoor area and sun-soaked deck — perfect for entertaining or relaxing in your own private retreat.

An internal access single garage provides security and convenience, and excellent on-street parking available for visitors.

Immaculately presented and in excellent condition, this home offers low-maintenance living without compromising on space, style, or comfort — all in sought-after Spreydon.

Modern. Private. Effortless.
